However, per each sport class, a maximum of three (3) eligible athletes can be entered.

- To ensure the representation of athletes with high support needs;
- To ensure top athletes that may have not had the opportunity to formally qualify due to extraordinary circumstances.

To be considered for a direct invite slot, an athlete must hold a World Para Athletics Athlete License for the 2019 season. NPCs must submit a formal request for direct entry to World Para Athletics by 19 September 2019.

Event Viability Criteria

A minimum of five (5) athlete entries from three (3) NPCs is necessary to sustain an individual medal event on the programme. A minimum of five (5) entries from five (5) NPCs is necessary to sustain the relay medal event on the programme.

World Para Athletics shall review the event viability following the close of the final entry by name on 01 October 2019. In the case an event did not meet the above viability criteria by final entry, World Para Athletics reserve the right to combine such event with other event(s) where appropriate and applicable. In such combined field events, the Raza point system may be used to determine the placings.

World Para Athletics also reserve the right to either cancel such events or run them as non-medal events.

In the case the entry number of an event dropped below the aforementioned event viability criteria due to withdrawals after 01 October 2019, the event shall still be run as a Medal Event and the medals will be allocated under the 'minus one' rule.
