World Para Biathlon Championships

Östersund, Sweden | 11-15th March 2020

2023

Dear athletes and team officials!

I would like to welcome you all, with pride and warmth, to Östersund and 2020 World Para Biathlon Championships. A particularly warm welcome to all athletes and team officials from the participating countries, but also the International Paralympic Committee, the Swedish Paralympic Committee and the Swedish Parasport Federation.

Östersund Ski Stadium is the Swedish national arena for Biathlon and probably one of the best in the world and we also keep develop this into the world's best Parasport arena. Therefore, it is with great pleasure that we for the second year in a row are hosting an World Para Nordic Skiing World Cup and Biathlon World Championships. Our goal is to arrange more events of this caliber, where the municipality, sports clubs and businesses in collaboration creates high quality events for both athletes and spectators.

I look forward to exciting World Para Biathlon Championships, with great sports performance from great athletes. I wish you all the best of luck in the competitions, and hope you enjoy your stay in Östersund.

Bosse Svensson
Mayor of Östersund

Welcome!

It is with great pleasure that I, on behalf of the Swedish Parasport Federation and the Swedish Paralympic Committee, welcome you to the Östersund 2020 World Para Biathlon Championships. Much is at stake. It will be tough, tight and hard in the tracks. Up to 20 nations and around 100 athletes will be participating during a week of competitions.

There are many who have worked hard to arrange the World Biathlon Championships in Sweden and we all hope that the competition will show how well Sweden, and Östersund, is at arranging competitions at the highest level in parasport. But also, that it is extremely relevant that parasport gets the financial support it does and could benefit from more from several others to make an even bigger difference around the globe. Sport unites. Sport plays an important role in all societies, and for people with any kind of disability sports plays an even more important role. But in the ski tracks it doesn't matter if you are disabled or not, not as long as you share the passion for sport. That's the strength of sport. It breaks down barriers. I wish that the performances of the athletes will make those with disabilities who don't participate in sports today – start to tomorrow. Finally, I wish that everyone attending the Championships – all athletes, officials, team staff as well as you in the stands – make sure that the World Championships is competing at the highest level and in the spirit of Fair Play.

Johan Strid
Secretary General
Swedish Parasport Federation and Swedish Paralympic Committee
