- Shooting times from Tor?
  - What do we think?
    ▪ We need to look at the hits/misses as well
    ▪ What about the percentages with the relay?
    ▪ Podiums statistics.
  - How does this affect our work?
    ▪ We need to look more at this data in the future.
  - Do we need more information?
    ▪ We need the hits/misses and podium.
    ▪ Where is the times measured from in the LW class.

- How do we need to work going forward:
  - Rifle check protocol.
    ▪ Have this data put in.
  - Equipment inventory
    ▪ Use the same as now and look at the changes throughout the season.

- Make sure to have all the equipment ready for the first world cup.
