Detailed Medal Events List attached to the end of this document.			

Athlete Eligibility

To be eligible for entry, athletes must hold an active World Para Athletics License for the 2021 season, and must:

- have achieved a Minimum Entry Standard (MES) at a World Para Athletics recognised competition for an event from the published final event programme between 01 January 2019 and 25 April 2021 in accordance with the Athlete Licensing Programme Policies valid for the 2019-2021 seasons; or
- have been allocated a Direct Invitation

RaceRunning athletes, in addition to the above, must have undergone CPISRA classification which has been recognised by WPA. Please note that there is no classification for RaceRunning athletes at European Championships.

Maximum Entry per NPC

An NPC may enter a maximum of three (3) eligible athletes per single class medal event. An NPC may enter a maximum of five (5) eligible athletes in field events where two (2) or more sport classes are clustered (e.g., Discus Throw F54/55/56). However, per each sport class, a maximum of three (3) eligible athletes can be entered.

An NPC may enter a maximum of one (1) team in the universal relay event provided that the team is comprised of athletes already entered into an individual event. No Minimum Entry Standard is required for the relay event(s).

NPCs may enter an eligible athlete in an unlimited number of events as long as the athlete has achieved a MES in at least one of the events for which the athlete is entered.

Direct Invitation

World Para Athletics reserves the right to directly invite athletes under the following criteria:

- To enable the greater representation by nation;
- To ensure events featured on the programme have sufficient representation for viability;
- To enable greater representation by gender;
- To ensure the representation of athletes with high support needs;
- To ensure top athletes that may have not had the opportunity to formally qualify due to extraordinary circumstances.

To be considered for a direct invite slot, an athlete must hold a World Para Athletics Athlete License for the 2021 season. NPCs must submit a formal request for direct entry to World Para Athletics by 06 April 2021.

Event Viability Criteria

A minimum of four (4) athlete entries from two (2) NPCs is necessary to sustain an individual medal event on the programme. A minimum of four (4) entries from four (4) NPCs is necessary to sustain a relay medal event on the programme.

World Para Athletics shall review the event viability following the close of the final entry on 26 April 2021. In the case an event does not meet the above viability criteria at final entry, World Para Athletics may combine such event with other event(s) where appropriate and applicable. In such combined field events, the Raza point system may be used to determine the placings. World Para Athletics also reserve the right to cancel such events or run them as non-medal events.

In the case the entry number of an event drops below the event viability criteria due to withdrawals after 26 April 2021, the event shall still be run as a Medal Event and the medals will be allocated under the 'minus one' rule.

Qualification Rounds

Seated Throw Events

Should a seated throw event exceed twelve (12) entries at the close of final entry, a qualification round may be held to allow the competition to be conducted in a single round (final). Should a qualification round be held, the top 8 entered athletes (based on qualification performances) will proceed to the final without competing in the qualification round. The Top 4 athletes from the qualification round shall proceed to the final.

Ambulant Throw Events

Should an ambulant throw event exceed sixteen (16) entries at the close of final entry, a qualification round may be held to allow the competition to be conducted in a single round (final). Should the qualification round be held, the Top 12 entered athletes (based on qualification performances) shall proceed to the final without competing in the qualification round. The Top 4 athletes from the qualification round shall proceed to the final.

Qualification Round Timetable

Qualification rounds may be held in an additional non-ticketed session outside of the official programme. In all throw events, athletes will have a maximum of three trials in the qualification round.
