

COVID-19 guidelines for Wroclaw 2021 WSPS World Cup based on current regulations in force in Poland

General

1. All participants are required to perform the PCR test 48 hours before arrival - we appeal for home isolation after the test has been performed until the day of departure to Poland.
2. People with a positive test result cannot take part in the competition.
3. A document confirming a negative result should be carried with you when crossing the border, to be presented to the services, together with documents confirming participation in sports competitions.
4. The negative results of all members of the representation Team Leader must also show during the accreditation.
5. All ITOs and NTOs will be tested upon arrival at the expense of the LOC.
6. All NPCs are responsible for providing participants with the appropriate number of masks, gloves and hand sanitizer for personal use.
7. In Poland today, there is an obligation to maintain a 1.5 m distance (except for the caretaker of a disabled person) and an order to wear masks in public places, also outdoors.

During competition

1. Team Leader is responsible for monitoring the health of team members and for their possible isolation due to symptoms.
2. Team Leader is responsible for indicating people who should be isolated due to close contact with a person who has symptoms of coronavirus infection - ATTENTION! it is mandatory to isolate a symptomatic roommate.
3. Possible separate hotel room (s) for isolation is covered by the NPC at its own expense.
4. Contact with the Polish Sport Shooting Federation - Monika Skrzypiec-Spring M.D. only by phone in case of noticing symptoms of coronavirus infection at the following number: + 48 664 458 417
5. In case of life-threatening symptoms, contact the ambulance service at the following number: 112
6. If symptoms are observed and after telephone consultation with a Polish Sport Shooting Federation doctor, The Team Leader is responsible for ensuring that the PCR test is performed on symptomatic individuals. He may also decide to test the roommate and other people who may have become infected through close contact. Tests are made at the expense of the NPCs.
7. Team Leader, together with the person showing symptoms on their own, goes to:

- hospital infectious diseases ward (5 Koszarowa Street, Wroclaw; phone number: +48 71 326 13 25, +48 71 326 13 27 do 31, +48 71 39 57 400)
 - or the nearest laboratory
8. The test / tests can also be performed at the hotel after contacting the company indicated by the accreditation.
 9. All persons who, by the decision of the Team Leader, have been isolated cannot take part in the competition until all persons who have taken the test have received a negative PCR test result.
 10. After receiving a negative result of the PCR test / tests, isolated persons may return to participate in the competition.
 11. If the PCR test (s) are positive, a 10-day quarantine is imposed, which will be held in a separate hotel room at the expense of the NPCs.

At the Venue

1. At the main entrance to the shooting range and the final hall, the temperature of participants and the competition staff will be measured.
2. Hand sanitizer will be available at the main entrance and at all shooting ranges and in public areas.
3. At the shooting range, masks may be removed by competitors only during training / competition while at the shooting stand, and by all participants only while eating in the designated area.
4. Signs will be placed throughout the facility to remind you to keep a distance from other people and to use the masks correctly and continuously.
5. Schedules of accreditation, medical classification, and weapon control, which will allow to avoid mass gatherings, will be published on the website of the competition www.wc-wroclaw2021.pl at a later date.

Additional arrangements

1. In case of the cancellation of the competition due to the COVID-19 epidemic and the change of the guidelines in force in Poland, which make it impossible to conduct the competition (eg. closing the borders, ban on organizing sports competitions), the LOC will return 90% of the paid funds to the NPCs. The remaining 10% will be used to cover the necessary costs already incurred by the LOC in the preparation of the competition.
2. By entering the competition and making the payment, the NPCs simultaneously declare that they have read and accept the above arrangements.
3. The above guidelines may change due to the dynamically changing epidemic situation in Poland and in the world.
