Please note: It is forbidden under UAE law to store firearms and ammunition in the hotel.

Upon your arrival in UAE, all firearms and ammunition will be transported by the Person in charge from the airport to the Shooting Range directly.

Upon departure, all firearms will be removed from the armoury for direct transit to the airport only, not before.

The armoury will be opened from the Official Arrival Day until the Official Departure Day; any teams arriving/departing outside of these dates should advise the LOC so alternate arrangements can be made with Shooting Club.

NOTE: All athletes are requested to put labels on their gun boxes and ammunition packages mentioning their NPC name and name of the athlete.
