A detailed classification schedule will follow after the revision of the final entries by WSPS. At least 4 weeks prior to classification the athlete's completed IPC Medical Information Form and Classification Consent Form must have been uploaded to the athlete's SDMS profile, these forms can be found on the [WSPS website](#).

1.6 Results, Rankings & Records

After the competition is finished, results will be reviewed and published on the WSPS website and the Ranking and Records lists will be updated accordingly.

Only athletes that are licensed, have a sport class status Review (R) or Confirmed (C) and reach the rankings cut-off standard for the relevant event, will have their results recognised for ranking purposes.

For further information see the [WSPS Rules and Regulations](#).

2 Registration Process

2.1 Athlete Eligibility

All entered athletes in the Changwon 2022 WSPS World Cup must be licensed by the final entries deadline. Athletes' entries not meeting this criteria will be rejected by WSPS.

The maximum entry per NPC is four (4) 'full' participants per event (athletes eligible to progress to the final, and to obtain records and ranking) if one is a junior in P1-P2, R1-R2 or R7-R8. If no junior athletes are entered, the maximum number of entries is three (3). In mixed events, the maximum number of entries per NPC is four (4) if one is a female or junior. If no female or junior athletes are entered, the maximum number of entries is three (3).

NPCs may additionally enter an unlimited number of 'MQS-only' athletes (athletes are eligible to obtain qualification scores to be recognised for MQS, but cannot progress to the event final or obtain records or rankings). However, in case of insufficient firing points this number may be restricted by WSPS, in a timely manner.

When entering more than 4 athletes to an event via the Online Entry System, the NPC should contact WSPS after making the online entries, confirming which athletes are to be entered as 'full' entry and which as 'MQS-only'.

- (2) a 'waiting list' may be established, and in case of subsequent entry cancellations, entries from the waiting list will be accepted on a first-come-first-served basis.
