PT2 (Trap 2)	30	180

2) Substitution of an athlete (in a team only) by another athlete already registered in that event can be made not later than 30 minutes before the scheduled start time for that event (ISSF Rule 6.6.5.b). but only if the requested change does not cause any conflict with ISSF Rules 6.6.6.g (if more than one relay is used in team competitions, then team members must be distributed equitably between the relays) and therefore 6.6.5.a (Start lists with firing point and relay allocations must be published and distributed not later than 4.00 PM on the day before Pre-Event Training for that event).

7. Immigration and Customs Requirements

Entry Visa

Italy is a member of the European Union and Schengen Agreement.
EU Nationals are able to enter Italy with a valid passport or with a valid ID Card.

Countries that require an Entry Visa for Italy should apply to the Italian Embassy/Consulate in their Countries well in advance before departure. Detailed information regarding Visa can be found in the website of the Italian Ministry of Foreign Affairs: www.esteri.it or vistoperitalia.esteri.it/home/en

Those Federations who need a specific Invitation Letter to apply for a Sport Visa, must contact **FITAV**, Federazione Italiana Tiro a Volo, **not later than 17 AUG 2022**

E-mail: visa@fitav.it

Phone: +39-06-4523/5214 /5212 / 5234 /5246

The Italian Shooting Federation has no influence on the Embassies and will only be able to provide invitations for the period of the World Shooting Para Sport Championship and eventual pre-event training.

No Visa will be granted upon arrival at the airport.

Custom Formalities, Import of Firearms

A maximum of three (3) shotguns and 1200 cartridges are allowed to enter in Italy for sport competitions.

European Union nationals holding a "European Firearm Certificate" can import to Italy their firearms without an auxiliary permission; however they are requested to fill in the "Firearm & Ammunition Form" for Local Police security reasons.

To the athletes not holding the "European Firearm Certificate" the Italian Shooting Federation soon after receiving the "Firearm and Ammunition Form" duly filled in, will send the gun permit.

The FITAV permit or the E.F.C. must be shown to the Police Authorities together with an invitation letter from the Club or the Organizing Committee, confirming the athlete's participation in the event.

The same letter will also be sent to the athletes traveling by car and presented, together with the documents above, to the Italian Police in case of a check during the trip.

All the athletes travelling by plane will have to fill in an additional double copy declaration on arrival at the Italian airport. (As complimentary O.C. staff members will do it on their behalf).

This form, together with the FITAV permit, at departure from Italy, must be returned to the Police Officers.

The Security service for the delivery of firearms and ammunition in Italian Airports has changed. There is no longer an internal security service but each airline makes use of an external individual security company that provides the service on-call.

In order not to delay the delivery of firearms and ammunition upon arrival, each participating Federation is recommended to book the flights, by declaring the shotguns in the reservation well in advance, to allow the airline to organize the transshipment service and delivery to the Police office in charge for the control of the weapons.

The "Security Tax" is applied to departing weapons and the passenger is charged at discretion of the airline as only some carriers provide the service free of charge.

The O.C. has no influence on the airlines in this regard.

For immediate weapon recognition, in no case should the gun cases be protected or placed into another type of travel bag (canvas, plastic).

Non-European Union citizens are suggested to take with them a copy of their passport which will be handed to the Police Officer together with the other forms at arrival, in order to speed the procedure.

Police and Customs firearms formalities will take place upon arrival at the first airport on Italian National Territory and at the last one at departure.

The Organizing Committee will not be responsible with the Italian Police at the airport for any incorrect information provided by the NPC related to firearms and ammunition.

This paragraph might be subject to amendments, any changes will be communicated immediately to all ISSF Member Federations.

Any request to change the shotguns details after the deadline must be notified to F.I.T.A.V. until five (5) days prior to arrival. Changes after that date will not be accepted.

All the delegations will be assisted to dispatch the Police and Customs procedures and escorted to the bus. Travellers will meet the assistants near to the baggage collection upon arrival. In case of failure, contact the O.C. representative: Mrs. Sara Fanciullacci - phone +39 333 35 81 559
