ABOUT THE IPC

At the IPC, we work as one team, aligned and focused on fulfilling our vision and mission.

The IPC seeks to use the influential global position of the Paralympic Movement and the growing profile of Para athletes to challenge the stigma attached to disability and empower social transformation.

The IPC is the global governing body of the Paralympic Movement. We oversee the delivery of the Paralympic Games and Paralympic Winter Games and serve as International Federation for six Para sports. We enjoy a positive working relationship with the IPC Governing Board, members of which are democratically elected every four years by the IPC General Assembly.

The IPC is a purpose-driven non-profit association.
