Jesolo Venice

Jesolo is both a winter and summer tourist destination, a hinterland full of charm and history located in the North Lagoon of Venice.

The city offers a beautiful 15km sandy beach, with crystal clear seas, countless attractions, entertainment and sports facilities. Jesolo's beach is ideal for practicing sports such as beach volley, windsurf, sailing, and open-air fitness.

Jesolo is also very close to many cities of art and history, like Venice and its lagoon, a UNESCO World Heritage Site and to the green countryside of Veneto, known for a wide variety of fascinating landscapes.

FISPES and the city of Jesolo have been working together for several years to organise Paralympic athletics events. In fact, the city has hosted the World Para Athletics Grand Prix since 2021.

The Armando Picchi Stadium will be the official competition venue for the 2023 Italian Open Championships, the fifth leg of the World Para Athletics Grand Prix.

The stadium offers an eight-lane track, large warm-up areas, changing rooms and parking areas.
