THE CITY OF MANCHESTER

Youthful, diverse, energetic and bursting with character; Manchester is one of the most exciting places to visit in the UK right now where everybody and anybody is very warmly welcomed.

Manchester is the only UK city to feature in Lonely Planet's *Best in Travel 2023* list and the only UK city in National Geographic's influential 'Best of the World' list which annually sets out 25 of the must-see places to visit around the globe.

Known throughout the world as the birthplace of the industrial revolution, Manchester has a proud history in science, politics, music, arts and sport. And today the city combines this heritage with a progressive vision to be a city that delivers surprise and delight in equal measures.

Manchester city centre is jam-packed with unique and eclectic restaurants, bars, shops, museums, galleries, hotels and places to stay whilst the surrounding Greater Manchester boroughs offer a patch-work of visitor experiences including quaint market towns, traditional pubs and beautiful green spaces and waterways to be explored on foot or bike. The city region is easily navigated, with great transport links both in and around Greater Manchester.

Furthermore, a packed calendar of world-class events and festivals – from the landmark Manchester International Festival to the enchanting Manchester Christmas Markets – mean there's always another reason to visit Manchester.

Manchester has plenty of fun and interesting places to discover. With an array of museums, galleries and activities, take your pick to tailor your perfect visit.

OFFICIAL HOTELS

The Local Organising Committee (LOC) in conjunction with CSE (Corporate & Sporting Events) have considered various accommodation options for the Manchester 2023 Para Swimming World Championships. ABID – DEVELOPMENT ACCOMMODATION RATES MANCHESTER

There have been some developments that have been implemented within the city of Manchester hotels that have an impact on the accommodation rates for the Manchester 2023 Para Swimming World Championships.

Below is the official statement on this new initiative for your information and reference:

“The Manchester Accommodation Business Improvement District (ABID) is an initiative led by the city’s hotel and serviced apartment providers to help create new events and additional activities that will attract more people to visit and stay in Manchester and Salford. It will also contribute to the enhancement of overall guest experience and help to expand the city’s visitor economy.

A supplementary fee for guests, added to the final accommodation bill, is now an established norm within the travel sector across the world, and the Manchester ABID will now bring the city’s accommodation sector in line with European and global counterparts and competitors.

Accommodation establishments within the Manchester ABID zone will therefore begin collecting £1 per room/unit, per night, from all guests staying overnight. This will be called a “City Visitor Charge,” and from 1 April 2023 establishments will charge this to overnight guests.”

While we recognise this is an additional cost that may not have been budgeted for, please kindly note that all accommodation invoices will reflect the additional £1 per night, per room. The prices in this third version of the Accommodation Guide reflect this ‘City Visitor Charge’.
