PURPOSES OF THE GUIDELINES

The following manual is included in the execution of the **Santiago 2023 Pan American and Parapan American Games**, which is addressed to the National Paralympic Committees (NPC), International Federations (IF), among other organizations and associations.

The *Uniforms and Sports Equipment Manual* aims to specify the use of commercial brands in clothing, sports and technology equipment, accessories and shoes for each Parapan American sport and discipline. Illustrations are included for each uniform specifying the permitted uses and applications for the identifications of the uniform and equipment manufacturer.

No advertisement or commercial propaganda of any kind may appear on people, sports clothing, equipment, accessories, clothing for Para athletes, officials, team officials and everyone who will participate in the Games.

The guidelines do not seek to restrict or affect the innovative technological characteristics of the design for clothing, equipment or accessories, but to ensure and safekeep the national identity of all Para athletes, respecting the contributions that sports brands and sponsors make, with the condition that they do not stand out in an ostentatious with advertisement or commercial ends.

The following guidelines will be applicable for all Para athletes, officials and accredited people to access facilities, sports and non-sport venues of the **Santiago 2023 Pan American and Parapan American Games**.

SANTIAGO 2023 LOGOTYPE STRUCTURE

This section specifies the uses, sizes and orientation of the identification in clothing items and accessories for each Paralympic discipline. Each identification mark is represented by a shape and a color [see page 10].

APPLICATION AND USE RECOMMENDATIONS

The SANTIAGO 2023 logotype version that will be used is the one in its [vertical version without description](#), aiming to maintain legibility and visual reading of the Santiago 2023 brand. It is recommended the use of the logotype in its black / white versions when applicable to preserve the brand reading.
