1.3 Rules and Regulations

The Competition will be conducted under current ISSF, WSPS Rules and Regulations, and WSPS Commands and Announcements for Finals. If you require further information, please visit [WSPS](#) or [ISSF](#)

WSPS Classification:

www.paralympic.org/shooting/rules-and-regulations/classifications

WSPS Juries (Jury of Appeal, Competition Juries, RTS Jury, and Equipment Control Jury) will be designated by WSPS to supervise the Changwon 2024 WSPS World Cup. Qualified Range Officers / Referees holding applicable ISSF/WSPS licenses will conduct the competitions.

1.4 Viability of Events

Individual events are considered viable if there are athletes from a minimum of four (4) countries entered through the Entry by Name.

Team events will be considered viable if a minimum of three (3) eligible NPCs have entered teams through the Entry by Name (note: in cases where only 3 teams participate, medals will be awarded according to the minus-one rule.)

Mixed team event will be considered viable if a minimum of four (4) eligible NPCs have entered teams through the Entry by Name.

If an event fails to meet the above minimum viability criteria, it will be not considered viable and will be shot as an MQS event only.

1.5 International Classification

International Classification will be conducted on 23-24 April. A detailed classification schedule will follow the revision of the final entries by WSPS. At least three (3) weeks prior to classification the athlete's completed IPC Medical Information Form and Classification Consent Form must have been uploaded to the athlete's SDMS profile, these forms can be found on the WSPS website.

1.6 Results, Rankings & Records

After the competition is finished, results will be reviewed and published on the WSPS website and the Ranking and Records lists will be updated accordingly.

Only athletes that are licensed, have a sport class status Review (R) or confirmed (C) and reach the rankings cut-off standards for the relevant event, will have their results recognized for ranking purposes. For further information see the WSPS Rules and Regulation.

1.7 Technical Meeting

The Technical will take place on 24 April 2024 at Finals Hall. The detailed time will be published later. Each participating WSPS Member Federation is kindly requested to have at least one representative present at the Technical Meeting to receive updated information regarding final schedules, draw procedures and other important issues related to Changwon 2024 WSPS World Cup.

1.8 Victory Ceremony

The Victory Ceremonies will take place at the shooting range immediately after the end of each Final (see also: Ceremony schedule for exact details). During the ceremonies the athletes are required to present themselves in their official national uniform or national tracksuits (tops and bottoms).

1.9 Opening Ceremonies

The Opening Ceremony is planned on 24th April. The ceremony start time will be published later. The venue has not been settled yet and detailed contents for the ceremony are still under preparation. The updated information will be published with the next version of updated General Information about this competition.

1.10 Equipment Control

Equipment Control will be conducted according to WSPS Rules and ISSF rules using approved, calibrated instruments. The tag is only for ISSF clothes and rifle. All athletes must pass the equipment control for the wheelchair and all SH2 athletes must control the balance and the spring. With the WSPS green tag, the athletes must control the WSPS specific equipment (wheelchair, spring, balance...), following the schedule publishes on WSPS web and send to the Team leader/NPC.

2 Registration Process

2.1 Athlete Eligibility

All entered athletes in the Changwon 2024 WSPS World Cup must be licensed by the final entry's deadline. Athlete's entries not meeting these criteria will be rejected by WSPS.

2.2 Authorised Organisation for Entry Registration

All athletes must be entered by their respective NPCs or organization authorized by WSPS and accepted by WSPS.

2.3 Entry Restrictions

2.3.1 Maximum number of athlete entries per NPC per event

The Maximum entry per NPC is four (4) 'full' participants per event (athletes eligible to progress to the final, and to obtain records and ranking) if one is a junior in P1-P2, R1-R2 or R7-R8. If no junior athletes are entered, the maximum number of entries is three (3). In mixed events, the maximum number of entries per NPC is four (4) if one is a female or junior. If no female or junior athlete are entered, the maximum number of entries is three (3).

NPCs may additionally enter an unlimited number of 'MQS-only' athletes (athletes are eligible to obtain qualification scores to be recognized for MQS but cannot progress to the event final or obtain records or rankings.) However, in case of insufficient firing points this number may be restricted by WSPS, in a timely manner.

When entering more than 4 athletes to an event via the Online Entry System, the NPC should contact WSPS after making the online entries, confirming which athletes are to be entered as 'full' entry and which as 'MQS-only'.

2.3.2 Maximum number of starts per event

The Maximum number of starts per event is the number of athlete entries that can be accepted per events; This calculation is based upon range capacity and the competition schedule. if the maximum number of starts is reached during the Final Entry Process.

- (1) the number of 'MQS-only' entries may be limited to allow space for entry of 'full' participants;
- (2) a 'waiting list' may be established, and in case of subsequent entry cancellations, entries from the waiting list will be accepted on a first-come-first-served basis.

4 Other Important Information

4.1 Firearms and ammunitions

4.1.1 Import/Export

For importing and exporting of firearms and ammunitions, please follow the procedures below:

1. Complete the Firearm & Ammunition import form and submit it to the LOC with the copy of the firearm's owner. The form must be submitted via email (ksfd0427@gmail.com)
 - A. Please make sure to submit the Firearm & Ammunition import form by the Final Entry Deadline (22 March 2024) to make sure the permit from Police of Korea to be prepared before the competition.
 - B. After the permission gets granted from the police, the copy of the permission will be sent to the delegation via email.
2. After receiving the permission from the LOC, please carry the copy of the permission until arrive at Korea.
 - A. Generally, The Firearms and ammunitions will be available to retrieve on the conveyer-belt with the other baggage. But these firearms and ammunitions must have been additionally sealed by the red stickers. It means those items must be sent to the customs, and these procedures are normal.
 - B. After retrieving your firearms and ammunitions with the rest of your baggage, please proceed to the Custom with the firearms and ammunitions. Also, you must be carrying the paper of permission that has been sent from the LOC.
 - C. At the customs, the red stickers will be removed. And if the firearms and ammunitions' details and quantities are correct as written on the permission paper, The firearms and ammunitions will be finally granted to enter Korea. To check the possibility of any inconsistency, there will be an inspection by the custom about every detail inside your firearm cases and ammunition quantities.
 - D. After the inspection finishes at the custom, the custom will give you another paper written in Korean. **DO NOT LOSE** this paper. It will be needed to export your firearms and ammunitions after the competition.
3. After making exit of the entering area with retrieving all your baggage including firearms and ammunition, the firearms and ammunitions will be sent to the shooting range directly by the LOC. The delegation will be on the transport to the competition venue with following the transport option has been chosen before by the delegation.
4. Currently, LOC manpower cannot enter the entering area to assist the delegation's arrival. The LOC's manpower will be waiting for the delegation at the area after the entering area. **NOTE:** The LOC is trying to make it available to let our manpower to assist the delegation's procedure with the customs, but it has not been approved yet. Please read the procedures above carefully to prepare the case that LOC cannot help the delegation at the customs.

5. The LOC can only help for the permission of firearms and ammunitions to enter and leave Korea. Permission to leave and enter the participants' country is not a LOC's discretion. But LOC is available to produce a supportive paper such as invitation letter to assist the publication of mandatory approval such as permission from participants' country or the airline's approval.
6. In case of any inconsistency on your firearms and ammunitions compared to the permissions from Police, any items that is not registered on the paper or outnumbered from the registered quantity will be taken by the airport security. Please make sure to carry the firearms and ammunitions exactly same as the given permission.

Any request to change Firearms and ammunitions details after the submission of Firearms Import Form will not be granted.

All NPCs are requested to check with their official airline all the required documents pertaining to import/export of firearm and ammunition.

Ammunitions are not allowed on carry-on baggage and /or with the firearm. Ammunitions should be in a separate baggage.

NOTE: After the competition, any remaining ammunitions must not be exported out of Korea. These ammunitions will be stored in the armoury of Shooting Range. Please submit the list of ammunitions carefully with the consideration about this notice.

4.1.2 Transportation and Storage

The armoury for firearms and ammunitions storage is located at the Shooting range; a storage space for equipment and ammunition will also be provided at the Shooting range.

Upon departure, all firearms will be removed from the armoury for direct transit to the airport only, not before.

The Armoury will be opened from the Official Arrival Day until the Official departure day; any teams arriving/departing outside of these dates should advise the LOC so alternate arrangements can be made with Shooting Range.

NOTE: All athletes are requested to put labels on their gun cases and ammunition packages mentioning their NPC name.

4.2 Visa

NPCs are responsible to obtain a Visa if required to enter Korea. You can visit the Korea Immigration Service to check if you require a visa to enter Korea.
