

Information about hotel bookings & shuttle

Also in 2024 we have organized hotels for the participants of the IDM 2024 in Berlin. There are three different hotels to choose from. We were able to negotiate good rates for all our guests. However, it is very important to book promptly. Be motivated by our early bird discount!!! After March 2nd, 2024, room prices/night/person will increase by €20.

In general, the principle “first come, first serve” applies. Rooms can only be offered based on availability. There is NO guarantee.

You can quickly compare the hotels with this overview. For more detailed information, please check out the individual hotel information.

You can find the detailed prices and conditions in our EntryPortal!

The HOTEL-ALL-IN-PACKAGE includes:

- Accommodation in selected hotel with full board
- **For the teams in Andel's und Easy:** daily breakfast in your hotel, lunch and dinner for guests of both hotels in Andel's Hotel – only dinner on arrival day, only breakfast on departure day, shuttle from and to the airport
- **For the teams in Titanic Hotel:** daily breakfast and dinner in the hotel, lunch will be served in the competition venue – on arrival day only dinner will be served, on departure day only breakfast, shuttle between airport and hotel + daily shuttle between hotel and venue

Extra costs (minibar, parking, Spa, etc.) have to be paid up on departure directly in the hotel. **This costs are not included in the package price!**

If the hotel rooms are left dirty or destroyed beyond normal levels, the guests must pay the damage themselves. The guests' contact details will be passed on to the hotel for processing.

Cancellation policy

If you have to cancel your trip, we're not refunding the payment (we recommend signing a travel cancellation insurance). However, you can contact us if there are any changes and we will try to resell the rooms.

The strict cancellation conditions are a result of the good booking conditions. In addition to that, Berlin is hosting the European Championships in soccer a couple weeks later and prices in this time window are really high.

Given these advantageous conditions, it is not possible for the Disabled and Rehabilitation Sports Association (BSB) to reimburse your costs in the event of cancellation, as the BSB itself is burdened with these costs. The BSB is obliged to seek reimbursement of costs from the hotels. The BSB is free to make its decisions. The BSB assumes no liability for either the procedure or its success.

HOTEL-PACKAGES booking – step by step:

For the HOTEL-PACKAGE booking, please follow the following steps:

1. Sign in on www.entry-portal.de into your account and let us know, how many rooms you want to book. **IMPORTANT:** Please make sure the invoice address is complete
2. You'll receive an E-Mail with a confirmation (including invoice) or with a different offer for the case, that rooms are not available anymore.
3. In the case of a booking confirmation including your invoice, we request a fast payment
4. Only after a full payment within 14 days, the rooms will be booked! If the payment will not be done on time, the booking process will be canceled and the rooms will again be available for sale. If this happens after the guarantee date of the hotel, you'll have to pay 100 % of the costs even in the case of cancellation.
5. **Rooming lists as well as travel information have to be send in until 06. Mai 2024** via e-mail to hotel@bsberlin.de.
6. For the travel details: Please only use the excel sheet, we will provide you.
7. **Travel details** are part of the binding booking and have to be **COMPLETE** and **CORRECT**! It is really important to provide all information about wheelchair users. If the travel information are wrong or not complete, the LOC can not provide a shuttle to the teams. Also for wrong information, the LOC is not responsible and teams can't count on a shuttle and may have to organize their trip to the hotel on their own.
8. After receiving the rooming list, the booking is completed and valid.

You can find our online booking form in the entry portal:
