

# WPIH SPORT COMMITTEE NOMINEE

## BIOGRAPHY

**Name:**

Andrea Macri

**NPC:**

Italy

**Nominee:**

Sport Committee Member

With a notable athletic background and a crucial role in the Paralympic Games Integration team, Andrea Macri brings a wealth of experience and dedication to the table.

Having competed in four Paralympic Games, he has showcased his skills as a stalwart defender in Para ice hockey. His firsthand knowledge of the sporting world, coupled with his recent employment with Milano-Cortina 2026, has provided him with a profound appreciation for the effort and organization required to host such a significant event. Andrea's unique perspective has further fueled his passion for developing Para sports.

Currently working in the branding department, Andrea has been actively involved in a groundbreaking project called Adaptive Winter Sport. This initiative aims to enhance participation in winter Para sports by fostering collaboration between national federations of winter sports and National Paralympic Committees. Through the organization of winter sports camps for youth and the provision of comprehensive coaching courses, the project seeks to create a more inclusive environment and expand opportunities for athletes.
