

# Venue Information – Storage

There will be 2 storage points for Kobe 2024:

- 1<sup>st</sup> Storage (green arena): the 1<sup>st</sup> storage where all equipment is transported from all airports. This location is closest to the ballpark. (throwing area)
- 2<sup>nd</sup> Storage (between main venue and warm up area): closest position to the call room and warm up area. All racers and frames must be at this point prior to competition.

How to get your equipment transported?

-transportation request document is required to be filled every time you need/want your equipment moved (1<sup>st</sup> to 2<sup>nd</sup>, 2<sup>nd</sup> to 1<sup>st</sup>).

-The request must be made by 6pm of the day before you require it being transported.
