WPA GRAND PRIX CALI 2025

Grand Prix de Para Athletics Cali 2025. Colombia 13 to 19 May 2025.

The Colombian Para Athletics Federation (FCPA) and the Local Organising Committee (LOC) welcome you to the Para Athletics Grand Prix Cali 2025. This is the first release of information addressed to the NPCs / NFs Team Leaders.

Here you will find important information about the services that will be offered to NPCs / NFs during the Para Athletics Grand Prix Cali 2025, as well as details of the pre-operation to prepare for the participation of delegations.

The information contained herein is current at the time of publication. However, in the spirit of providing a high-quality event it may change as we get closer to the opening date. Any updates will be communicated in due course.

It is an honor for Colombia to host the Para Athletics Grand Prix 2025 in the city of Cali. This designation not only celebrates the triumphs achieved in the past Paralympic Games 2024, where we reaffirmed that Para Athletics is the sport that has given the country the most glory but also positions us as a reference in Paralympic sport in Latin America. Cali, known for its warmth and passion, as well as a mecca of sport in the world, is preparing to welcome more than 300 athletes from different countries, strengthening its legacy as a city committed to inclusion and sporting excellence.

This event marks the start of the Paralympic cycle towards Los Angeles 2028. However, its impact goes beyond competition. Being part of the global calendar gives us a unique opportunity to inspire new generations, promote values of resilience and diversity, and demonstrate that, in Colombia, Para Athletics not only transforms lives, but it also unites hearts. I would like to invite the world to discover the talent, passion, and determination that make our country an unrivalled host.

President / Director General

Santiago de Cali is the capital of the department of Valle del Cauca, located in the southwest of the country and considered one of the main economic and industrial centers of the country. Considerations for the award

This award will be granted to the new world record holder per event per athlete.

This award can be granted to the same athlete if they break the world record in different events.

This award will be granted ONLY to the first three NEW world Records regardless of how many new world records happen during the Grand Prix Cali 2025.

Jump, run, throw, because when the strength comes from the heart the glory is forever.
