BEACH GAMES

Mersin, Türkiye | 18-25 October 2025

INVITATION

Dear World Abilitysport Members,

On behalf of World Abilitysport and the Local Organising Committee, NPC Türkiye, I am delighted to invite the athletes, coaches and team staff of our Membership and International Federation members to Mersin, Türkiye for the inaugural 2025 World Abilitysport Beach Games.

The 2025 World Abilitysport Beach Games are set to be hosted on the picturesque 116km of Mersin coastline in southern Türkiye. Overlooking the Mediterranean sea, the first ever Para event of its kind will welcome teams from 18 to 25 October 2025.

In support of our Memorandum of Understanding with World ParaVolley, we are delighted that the 2025 Beach ParaVolley World Championships will be hosted at the Games which is set to welcome a record number of teams.

Also in support of a new Memorandum of Understanding signed with Inclusive Padel Tour, we are excited to host adaptive padel's multi-sport Games debut. This sport has seen exponential growth over the last ten years and the adaptive version is set to explode - we are delighted to be a part of this journey.

We are pleased, to once again, break new ground with our friends at World Para Powerlifting, offering the first ever beach Para powerlifting event. This unique opportunity will bring the sport to the people, capturing the support and imaginations of Mersin's people, in a landmark event hosted in a beach-side amphitheatre venue.

Also making its debut on a World Abilitysport Games programme is Para inclusive sailing. We are very pleased to partner with World Sailing who have been supportive and enthusiastic about the Games from the outset and exciting talks are ongoing about future collaborations. I'd also like to thank the Turkish Sailing Federation who have been working tirelessly in support of the event culminating in the procurement of 12 new boats which will serve Para athletes for these Games and many events to come.

Having now been included as a demonstration sport at three editions of the World Abilitysport Games and wowed the crowds every time, Sepak Takraw will be hosted for the first time as a competition sport at this year's Beach Games.

AirBadminton and Modern Pentathlon - Laser Run will also be showcased in Mersin for their Games debut and we greatly look forward to welcoming their athletes to their bespoke picturesque venues.

As always my sincerest appreciation goes to the National Paralympic Committee of Türkiye who have shown immense dedication to World Abilitysport and the Paralympic Movement as a whole. The historic partnership between our organisations will benefit Para athletes starting in Mersin in October and will continue for many years to come.

We greatly look forward to welcoming your athletes to Mersin to compete in these Games, in these beautiful surroundings.

Best wishes,
