NF President Welcome

It is my great pleasure to welcome all Para Powerlifting athletes, officials, and coaches from across Asia and Oceania to Bangkok, Thailand – the "City of Happiness" and the "Land of Smiles" – for the Bangkok 2026 Asia-Oceania Open at the Miracle Grand Convention Hotel.

This Para Powerlifting competition - Bangkok 2026 Asia-Oceania Open Championships holds immense significance, particularly for athletes in the Asia and Oceania regions. As an event officially sanctioned by World Para Powerlifting, it serves as a key qualification pathway for the Aichi-Nagoya 2026 Asian Para Games in Japan and, ultimately, the LA 2028 Paralympic Games.

As the host country, Thailand is fully committed to organising this event to the highest standard, ensuring strict compliance with all regulations set by World Para Powerlifting.

I sincerely hope this tournament brings the success you aspire to achieve and creates lasting joy and memorable experiences for every participant. I would also like to express my deepest gratitude to all our supporters: the Thai Government through the Ministry of Tourism and Sports, the Sports Authority of Thailand, the National Sports Development Fund, and the Miracle Grand Convention Hotel for providing excellent accommodation and venue facilities.

I look forward to welcoming Para Powerlifting athletes from all nations to participate in this exciting and historical event.
Thank you and best wishes.

Maitree Kongruang
President, Sports Association for the Disabled of Thailand under the Royal Patronage of His Majesty the King

8. Host City

About Bangkok

Bangkok is the capital and most populous city of Thailand. It serves as the nation's main centre of development, both domestically and within Southeast Asia.

The city is located near the mouth of the Chao Phraya River, which flows through the urban centre and divides it into two main areas: the Phra Nakhon side and the Thonburi side.

The city covers 1,568.737 square kilometres and in 2024 had a population of around 10 million, accounting for about 13% of Thailand's total population. Including the surrounding metropolitan area, the population rises to roughly 17 million, giving Bangkok the status of a metropolis and a primate city, meaning it is significantly more influential than any other city in the country.

Bangkok is a city that seamlessly blends culture, history, and modern life. Visitors can explore historic temples such as Wat Phra Kaew, Wat Arun, and Wat Pho; shop at modern malls and vibrant markets like Chatuchak and Yaowarat or Chinatown; relax in green spaces such as Lumpini Park; and experience art and culture at the Bangkok Art and Culture Centre

Top Recommended Places:

- Wat Arun – a must-visit riverside temple famous for its stunning prang.
- The Grand Palace – Thailand's most magnificent royal landmark.
- In mid-April, visitors can experience the Songkran Festival, especially on Silom Road and Khao San Road, where the streets come alive with water celebrations, music, and festivities
