3. SPORT ENTRIES

3.1. Athlete Eligibility

Swimmers must:

- hold an active World Para Swimming license for the Season 2026.
- be entered by their NPC or NF.
- the NPC being a good standing member of IPC and must have no outstanding invoices with WPS. Any outstanding invoices must be paid prior to entry confirmed
- be 12 years of age or older by 31st December in the year of the competition

To compete in Para Swimming World Series finals, an athlete must have an International Classification status of Review (R), Fixed Date Review (FDR) or Confirmed (C).

- Any athlete on a New (N) Status not undergoing classification in the competition may only swim in heats and will not progress to finals.

3.1. Entries

All entries must be through WPS Entry system. [SDMS \(ipc-services.org\)](http://SDMS(ipc-services.org))

Important Entry dates:

Entries Open:05/02

Classification Entry Deadline: 05/03

Final Entry Deadline: 19/03

Relay entries are to be made in the Entry by Team section of the SDMS Entry System

Each NPC may request additional relay teams per event. Such request must be made before the final entry deadline to World Para Swimming

- SDMS Only permits one entry per team, so any additional team entry request is to be made manually through the WPS Event lead.

If an NPC has more than one team, note **only one time per NPC will count in the official rankings.**

All teams must follow the eligibility rules for relay entry. All athletes must be internationally classified

All requests are subject to review and confirmation by World Para Swimming any additional entries are not guaranteed and at WPS sole discretion.

No late entries will be accepted.

3.2. Competition Format and Programme

Para Swimming World Series events are run under Multi class competition format for both heats and finals. Points are determined using the World Para Swimming Points System.

For all Para Swimming World Series events the current World Para Swimming Rules and Regulations apply. They can be found on the World Para Swimming website (see Swimming – Rules & Regulations – Rules).

- Heats
 - 8 lanes will be used
 - Heats will be seeded by entry time
 - Warm up time: 7:30am
 - Heats start time: 9am
- Finals
 - 8 lanes will be used
 - Finals will be seeded by Points
 - Warm up time: 3:30pm
 - Finals start time: 5pm
 - The highest points scoring athletes in each event as determined by WPS Points system will be eligible for finals

Finals shall be formatted and prioritized in the following order:

- World Series Final A (1-8 Placed on Points)
- World Series Youth Final (1-8 placed on points scores of Youth athletes not in the A final).
- B Final (9-16 placed on points scores of athletes not involved in youth final)
 - Youth and B finals will only take place if more than four (4) athletes are eligible and available for the start list of the respective final, excluding those already places in the A final.
 - Youth Final age group eligibility is 18 years and under (age at 31st December of competition year)

Finals priority order is outlined below

- Where a swimmer has made the A finals and Youth Final, they will only be entered into the A final. The A final will be prioritised over Youth and B final.
- Where a swimmer has made the B finals and Youth final, they will be only entered into the Youth Final. The Youth final will be prioritised over the B final

If necessary, a swim-off may be used to determine swimmers for an individual final, where point scores are equal, unless the swimmers are the same class then the fastest swimmer shall progress

Where possible there will be 2 reserve swimmers for A Finals only.

Direct finals will be in place for events with 8 or less entries, as per the WPS Rules and Regulations 10.10.1.2.1.

- WPS have implemented an exception to this rule for 50m Breaststroke and 150m Individual medley events to support development of a heat opportunity for lower class athletes.
