Shaikh Mohamed Duaij Al Khalifa is a senior sports governance leader, and strategic executive with extensive experience across international sport administration, institutional development, and private sector leadership. He currently serves as President of the Bahrain Paralympic Committee, where he has led the modernisation of national Para sport structures, athlete development pathways, and high-performance programs, while successfully delivering multiple regional and international championships.

Alongside his national role, Mohamed serves on the Executive Board of the Asian Paralympic Committee, contributing to strategic planning, governance reform, and sport development initiatives across the continent. His work focuses on strengthening the Paralympic Movement, expanding participation, and building sustainable high-performance environments for athletes in emerging and established sport nations.

Beyond sport, Shaikh Mohamed has significant board-level and executive experience across investment, real estate development, banking, fintech, and venture capital. He has held senior leadership positions with financial institutions, development companies, and private investment vehicles, where he has overseen capital structuring, organisational transformation,

### INTERNATIONAL PARALYMPIC COMMITTEE

Dahlmannstraße 2, 53113 Bonn, Germany / [paralympic.org](http://paralympic.org)

and long-term growth strategies. This cross-sector expertise supports his approach to sport governance, emphasising financial sustainability, professional management, and strategic partnerships.

Mohamed holds a Master of Business Administration with distinction from the New York Institute of Technology and a Bachelor's degree in Business Administration from Saint Edward's University in the United States.

Recognised for bridging sport governance with commercial sustainability, Mohamed is committed to advancing the Paralympic Movement through innovation, collaboration, and institutional excellence. His leadership continues to strengthen athlete support systems, enhance organisational capacity, and expand the global impact of para sport at both regional and international levels.
