Re: IPC Shooting Direct Slots Allocation (update after AUS World Cup)

Dear IPC Shooting friends,

Following the 2011 IPC Shooting World Cup (Paralympic Qualifier) in Australia where 12 direct slots were allocated the table of the direct slots has been updated as follows. With this update the Direct Slot Allocation for NPCs is completed as all 60 Direct Slots are allocated.

Detailed information on the London 2012 Paralympic Games Qualification Criteria for IPC Shooting are published on the IPC website under: <http://www.paralympic.org/Paralympic Games/London 2012/Qualification Criteria/index.html>

Note: The athletes names on the below table are only for information (from which athlete the direct slot was attained for the NPC) as the direct Slot is allocated to the NPC and not to the individual athlete.
