INTRODUCTION

This Guide describes in detail how athletes and teams can qualify for the Toronto 2015 Parapan American Games in each of the 15 sports on the Games programme. It provides to the National Paralympic Committees (NPCs), to National Sport Federations, to sports administrators, coaches and to the athletes themselves the conditions that allow participation in the most important event in the Americas of the Paralympic Movement.

The Guide presents:

- An overview of the Toronto 2015 Sports Programme,
- The general International Paralympic Committee (IPC) regulations on eligibility,
- The specific qualification criteria for each sport (in alphabetical order),
- A glossary of the terminology used throughout the document.

Structure of Sport-Specific Qualification Criteria

Each sport-specific section in this Guide follows a standardized format. Readers can quickly locate information or cross-reference it between sports. The standard structure of each sport-specific qualification criteria is as follows:

- Events
- Athlete Quotas
- Allocation of Qualification Slots
- Maximum Quota Allocation per NPC
- Classification
- Athlete Eligibility
- Maximum Entries per NPC
- Qualification System (in order of the allocation progression)
- Timeline
- Confirmation Process of Allocated Slots
- Reallocation of Unused Qualification Slots
- International Federation (IF) Contact Information

Qualification Methods

There are a variety of qualification methods which the International Federations (IFs) may employ depending on the nature and traditions of each sport. The mix of qualification methods within each sport is supposed to respect the following principles:

- To ensure that the America's leading athletes receive the opportunity to perform at the highest level,
- To uphold the fundamental ethical concept of non-discrimination, and
- To ensure that regional opportunities for qualification exist (wherever possible) and that regional distribution of qualification slots is justifiably based on elite performances and/or prevalence of a sport in a given sub-region.

The following qualification methods may be used:

- Placement at World Championships
- Placement at Regional/Zonal Championships or Regional Games
- Placement in other IF sanctioned Competitions or Qualifiers
- Rank on a World or Regional Ranking List
- Rank on a specific Parapan American Qualification Ranking List
- Achievement of a Minimum Qualification Standard (MQS) with or without subsequent Quota Allocation Formula
- Host Country Slots
- Bipartite Invitations

Questions and Updates

For questions regarding sport-specific qualification issues please contact the respective IF. Occasional updates to this document may be necessary. Updates are logged at the end of the Guide. For the latest version of the Guide (see date on front page) please visit the Americas Paralympic Committee Official Website.

Official Language

The official language of the Americas Paralympic Committee (APC) is English. If an NPC translates this document for internal purposes the English version shall prevail in case of discrepancy.

TORONTO 2015 SPORTS PROGRAMME OVERVIEW

The Parapan American Games represents an international, multi-sport competition for athletes with a physical, visual or intellectual impairment that reflects the highest standards of athletic excellence and diversity in the Americas Region. The goal of the Parapan Sports Programme is to provide exciting and inspiring events in the Parapan American Games that allow athletes to achieve competitive excellence while engaging and entertaining spectators. To ensure this for the Toronto 2015 Parapan American Games, the IPC and APC conducted its quadrennial review process that determined the inclusion and positioning of sports, disciplines and medal events within the Parapan American Games and aligned with the Paralympic Games, based on established core characteristics and guiding principles.

Core Characteristics and Guiding Principles

The Core Characteristics and Guiding Principles of the Parapan American Sports Programme are as follows:

QUALITY: The essential principles with respect to grade of excellence and accomplishment.

Elite – Representing the highest athlete performances in the context of the specific sport.

Exciting – Providing a vibrant and energising atmosphere that is entertaining in the context of each sport, yet creates a collective motivational atmosphere that is attractive to spectators and media.

Inspirational – Creating a distinct opportunity for personal experience/reflection that acts as a catalyst for change through showcasing the extraordinary perseverance of the human spirit through athleticism.

Fair Play – Driving collective values of the IPC ensuring that the spirit of fair play prevails, that the health risks of athletes are managed, that fundamental ethical principles are upheld, that prejudice and discrimination are not tolerated and that all forms of cheating are discouraged and dealt with sternly.

QUANTITY: The principles that ensure viable sports, disciplines and medal events within a sustainable programme.

Viable – Ensuring operational and programmatic capability in the context of the IPC's and APC's obligations vis-a-vis the IOC and PASO, and considering the impact on the OCOG (e.g., financially, cost effective, manageable, number of training and competition venues, safety, risk management).

Sustainable/Dynamic – Ensuring a healthy and stable programme (components of the sport) that allows forecasting and ongoing evaluation. – “Stable enough to be sustainable, and dynamic enough to meet the needs of the present and the future.”

UNIVERSALITY: The collective principles that ensure and reflect a diverse movement.

Equitable – Ensuring that gender representation and the type and extent of impairments represented at the Games are taken as a fundamental factor in the composition of the programme.

Global – Establishing a framework that strives to ensure regional representation and the international nature of the Games.

Balance – Weighing and positioning the types of sports and athletes included based on the nature of the sports/disciplines (e.g., individual versus team; power versus precision; speed versus endurance, combat versus artistic).

Athlete and Medal Event Quotas

The number of medal events and athletes by sport as approved by the IPC and APC are outlined in the following table:

SPORT	MEDAL EVENTS				ATHLETES

GENERAL IPC REGULATIONS ON ELIGIBILITY

In addition to each International Federation's athlete eligibility criteria the IPC has established a set of general conditions that apply to all participants in the Parapan American Games. These general regulations are derived from the IPC Handbook. They ensure that the fundamental rights and obligations of the IPC and its membership are recognised and protected. The General IPC Regulations on Eligibility are as follows:

IPC and APC Membership

Only NPCs in good standing with the IPC and APC may enter duly qualified and eligible athletes in the Toronto 2015 Parapan American Games. NPCs are reminded that athletes must ensure their membership with their sport's respective International Federation (including the IPC) is in good standing during the qualification period and upon close of entry to the Parapan American Games.

Compliance with IPC Athletes Nationality Code

Any athlete in the Parapan American Games must be a national of the country/territory of the NPC entering him/her and in compliance with the provisions of the Nationality Code as published in the IPC Handbook.

Minimum Age Requirement

No minimum age limit for athletes competing in the Parapan American Games is stipulated by the IPC on a general basis. However, NPCs should note that an age limit may be established by relevant International Federations through sport-specific athlete eligibility standards. While the Parapan American Games welcomes the world's youth with impairment, NPCs are asked to use discretion and send to the Games only athletes adequately prepared for elite level international competition.

Understanding and Agreeing to the Eligibility Code

To be eligible for participation in the Parapan American Games all athletes must sign, observe, comply and abide by the rules and regulations outlined on the IPC Eligibility Code form. The IPC Eligibility Code form is part of the NPC registration process.

NPC Selection Standards

The IPC and APC recognise and respect the right of NPCs to establish national selection standards for determining an athlete or team's qualification to compete in the Parapan American Games. Such standards must be complimentary with those established by the IPC terms of dates of confirmation and administrative deadlines. All athletes and teams are equally subject to their respective NPC selection standards when applied.

Classification Eligibility Requirements

Only qualified athletes that meet the sport-specific classification eligibility requirements will be eligible for entry in the Toronto 2015 Parapan American Games. It is the responsibility of each NPC to ensure that its athletes hold a sport class status that complies with the sport's eligibility requirements as published in this guide.

The following is an overview which sports will offer athlete evaluation at the Toronto 2015 Para Pan American Games (1) and with which sport class status athletes are eligible to enter the competition with (2).

Classification Status that the athlete needs to have in order to participate in the specific sport at the Toronto 2015 Parapan American Games.

N = New

R = Review

R+ = Review with a Fixed Review Date after 2015

C = Confirmed

Athletes with 'New' or 'Review' sport class status must undergo international classification on site. Athletes will need to present themselves for classification at the date and time designated by the sport.

NPCs must present all relevant medical paperwork for their athletes with 'New' or 'Review' status to the corresponding IF, according to their classification rules.

For every classification matter the NPC must contact the corresponding IF.

BIPARTITE INVITATIONS

As in previous Parapan American Games, the IPC and APC have worked with International Federations (IFs) to develop qualification systems which allow the best athletes in each sport to compete in the Games, but which also respects the Parapan American Games Guiding Principles. The core-characteristics of quality, quantity and universality that structure the guiding principles are fundamental and leading aspects in the IPC's, APC's and IF's aim to deliver great competition at the Games.

While the primary method in which the guiding principles are respected is through the standard qualification methods, the IPC, APC and IFs have also sought to provide targeted qualification slot allocations in particular sports through the Bipartite Commission Invitation Allocation Method. These invitations are included in the overall athlete quotas of the relevant sports. Invitations are granted on a discretionary basis by the IPC and the respective IF and are typically allocated based on the following principles:

- To ensure participation of top athletes who may have not had the opportunity to formally qualify through other methods due to extraordinary circumstances;
- To ensure the representation of athletes with a severe disability;
- To ensure medal events will have sufficient representation for viability; and
- To enable greater representation by gender.

The following sports offer Bipartite Invitation slots:

- Athletics
- Cycling
- Powerlifting
- Swimming

Timelines and Application Procedures

Each sport offering Bipartite Invitation slots has established its individual timeline for submission and acceptance of Bipartite Applications. Please refer to the respective section in each sport's section of this guide.

REDISTRIBUTION OF UNUSED QUALIFICATION SLOTS

Qualification slots that are not allocated or reallocated by the sports by the established deadlines or go unused (following the deadline for final entries) may be redistributed at the sole discretion of the IPC and APC to any sport on the programme.

UNIVERSALITY WILD CARDS

In each edition of the Parapan American Games, the IPC and APC institute a slot allocation mechanism to uphold the Universality principle and to ensure representation of a maximum number of eligible member NPCs. This slot allocation method is called Universality Wild Card (UWC) system and is by invitation only. No athlete and no NPC are entitled to receiving a Universality Wild Card. Such invitations are usually extended if an NPC has been unable to qualify athletes via the regular qualification pathways in any of the 15 sports on the programme. The UWC slot is allocated to the individual athlete, not to the respective NPC.

Universality Wild Card slots fall outside the athlete quotas published in this guide. For the Toronto 2015 Parapan American Games the IPC will consider granting UWCs in the following sports:

- Athletics
- Swimming

A maximum of one (1) male UWC slot and one (1) female UWC slot may be granted if an NPC has not attained any qualification slot otherwise. NPCs who have attained only one (1) qualification slot (irrespective of gender) may be given one (1) female UWC slot in addition.

Criteria for Consideration

In order to be considered for a Universality Wild Card athletes must meet the following conditions:

- Comply with the General IPC Regulations on Eligibility as published in this Guide.
- Comply with the Athlete Eligibility Criteria for their respective sport as published in this guide. This entails meeting all requirements for licensing and classification at the time the UWC is awarded.

Athletes who do not meet these criteria will not be considered for a Universality Wild Card.

Application Process

The IPC and APC will announce the UWC application process one (1) year prior to the Toronto 2015 Parapan American Games.

KEY DATES

The following dates and deadlines have been established by the IPC, the APC and the Toronto 2015 Organising Committee and need to be observed across all sports on the programme.

Each IF may determine their own qualification period during which athletes and teams can attain results and rankings that count towards qualification for the Toronto 2015 Parapan American Games. All qualifying results must be achieved during the respective sport's qualification period. Results and rankings achieved prior to the sport-specific qualification period may not be considered for qualification towards the Toronto 2015 Parapan American Games. Participation in a competition during the qualification period may depend on results achieved prior to the beginning of the respective sport's qualification period.

ATHLETE ELIGIBILITY

To be eligible for competition athletes must:

- Hold an active IPC Athletics Athletes License for the 2015 season;
- Have achieved a Minimum Qualification Standard (MQS) at an IPC Athletics Recognised Competition for an event from the published event programme between 1 January 2014 and 6 July 2015 in accordance with the Athlete Licensing Programme Policies valid for the 2014-2015 seasons; or
- Have been allocated a Bipartite Commission Invitation slot or Universality Wild Card slot.

To be eligible to enter a relay event, an athlete must:

- Have entered an individual event.

MAXIMUM ENTRY PER NPC

An NPC can enter a maximum of sixty (60) athletes with no more than forty (40) male athletes.

NPCs can enter a maximum of three (3) eligible athletes per single class medal event. NPCs can enter a maximum of five (5) eligible athletes in medal events where two (2) or more sport classes are clustered (e.g., Shot Put F53/54/55). However, per each sport class, a maximum of three (3) eligible athletes can be entered.

NPCs can enter a maximum of one (1) team in each relay event comprising up to six (6) eligible athletes.

NPCs may enter an eligible athlete in an unlimited number of events as long as the athlete has met the MQS in one of the events for which the athlete is to be entered.

Following the Entry deadline by Number (24 April 2015) no withdrawal of any team member will be possible, with the exception of athletes entered into a non-viable event or due to verified medical cases. No changes to the male or female entry numbers shall be accepted.

CLASSIFICATION

Athletes with 'New' or 'Review' sport class status must undergo international classification on site. Athletes will need to present themselves for classification at the date and time identified by IPC Athletics.

NPCs must upload all relevant medical paperwork for their athletes with 'New' or 'Review' status in the SDMS in accordance with the regulations outlined on the IPC Athletics Website

For every classification matter the NPC must contact the IPC Athletics Office.

QUALIFICATION SYSTEM

IPC Athletics reserve the right to conduct a slot allocation procedure following the Entry by Number if needed.

In case of a Bipartite Invitation the slot is allocated to the individual athlete not to the NPC.

15 July 2015	TO2015 NPC Entry by name deadline.

CONFIRMATION PROCESS OF ALLOCATED SLOTS

By **22 May 2015** IPC Athletics will confirm NPCs in writing the allocation of Bipartite Commission Invitation slots.

By **6 June 2015** NPCs must confirm to IPC Athletics in writing (fax and email are accepted) if they wish to use their allocated Bipartite Commission Invitation slot(s). NPCs that have not responded by this date will lose their qualification slots, and IPC Athletics may reallocate these slots.

By **15 July 2015**, it is officially declared that the respective NPCs will use the allocated quota granted for the Toronto 2015 Parapan American Games. Any NPC that does not use its allocated qualification slots may be subject to sanctions by IPC and IPC Athletics.

REALLOCATION OF UNUSED QUALIFICATION SLOTS

Any allocated Bipartite Commission Invitation slot(s) not used by the respective NPC will be reallocated to other NPCs at the discretion of APC and IPC Athletics taking into account event viability and universality.

EVENT VIABILITY CRITERIA

A minimum of four (4) athlete entries from two (2) NPCs is necessary to sustain an individual medal event on the programme. A minimum of four (4) entries from four (4) NPCs is necessary to sustain a relay medal event on the programme.

IPC Athletics shall review the event viability following the close of the final entry on 15 July 2015. In the case an event did not meet the above viability criteria by the final entry, IPC Athletics may combine such event with other event(s) where appropriate and applicable. IPC Athletics also reserves the right to cancel such events or run them as non-medal events.

In the case the entry number of an event dropped below the aforementioned event viability criteria due to withdrawals after 15 July 2015, the event shall still be run as a Medal Event and the medals will be allocated under the 'minus one' rule.

In case there are not enough athletes in one group, UCI is reserving the right, after final entries, to merge the group with another one, following the rules 16.1.004, 16.1.005 and 16.1.006.

ATHLETE ELIGIBILITY

To be eligible for competition athletes must:

- hold an International Cycling Union license issued by their respective National Cycling Federation;
- be at least seventeen (17) years old or reach that age by 31 December 2015; and
- enter a minimum of two (2) events in the programme.

CLASSIFICATION

Athletes with 'New' or 'Review' sport class status must undergo international classification on site. Athletes will need to present themselves for classification at the date and time identified by the UCI.

NPCs must present to the UCI all relevant medical paperwork for their athletes with 'New' or 'Review' status in accordance with the UCI regulations.

For every classification matter the NPC must contact the UCI.

MAXIMUM ENTRY PER NPC

An NPC can enter a maximum of two (2) eligible athletes per individual sport class (division) and gender, and a maximum of four (4) eligible athletes in each road race start.

MAXIMUM QUOTA ALLOCATION PER NPC

An NPC can be allocated no more than two (2) male and two (2) female athlete qualification slots for a maximum quota allocation of four (4) slots per NPC, except for the NPCs that qualify through the 2014 UCI Nations Ranking. Tandem is being counted as one (1) athlete.

Exception may be granted through the Bipartite Commission Invitation allocation method.

ALLOCATION OF QUALIFICATION SLOTS

The qualification slot is allocated to the NPC, not the individual athlete. In the case of a Bipartite Commission Invitation, the qualification slot is allocated to the NPC.

ATHLETE ELIGIBILITY

To be eligible for selection by a National Paralympic Committee (NPC) for the 2015 Parapan American Games swimmers must:

- hold an active IPC Swimming license for the 2015 Season
- have achieved a Minimum Qualification Standard (MQS) at an IPC Swimming Recognised 50m Competition for the respective event between 01 January 2014 and 06 July 2015 (times are only recognised if the athlete was licensed at the time of the achievement or has a recognised split time record in the same stroke)
- have a classification status 'New', 'Review', 'Review + Fixed Date' or 'Confirmed'

Note: The MQS was set on 14th place of the official Americas ranking list from 16 May 2012 - 15 November 2013. If there were not 14 athletes, the last time of the rankings was used as an MQS. The Minimum Entry Time (MET) was set on 20th place of the official Americas ranking list. Exceptions to this are the sport classes S1 and S2 which do not have MQS or MET. For MQS and MET please see the list at the end of this document.

For relay events there are no MQS times, teams can be entered without previous achievement (they will be seeded with 'no time'). NPCs that have times for their relay team from the qualification period can enter this result in the final entries.

ALLOCATION OF QUALIFICATION SLOTS

IPC Swimming reserves the right to conduct a slot allocation procedure following the Entry by Number if needed.

In case of a Bipartite Invitation the slot is allocated to the individual athlete not to the NPC.

MAXIMUM QUOTA ALLOCATION PER NPC

An NPC may enter a maximum of forty (40) eligible athletes.

MAXIMUM ENTRY PER NPC

- Individual Events

NPCs can enter a maximum of three (3) eligible swimmers per event if all have met the MQS or MET. If there is more than one eligible sport class in the event, a maximum of eight (8) swimmers per event can be entered per each NPC. However, only a maximum of three (3) swimmers per each eligible sport class can be entered.

NPCs can enter their athletes that have met at least one (1) MQS in an unlimited number of events providing they meet the Minimum Entry Time (MET) for the additional events.

If following the classification changes there are more than the identified number of athletes in an event, the NPC must decide which athletes are going to swim within the above number identified.

- Relay Events

An NPC may enter a maximum of one (1) relay team per event, comprised of qualified athletes within the NPC's overall quota.

Following the Entry deadline by Number (24 April 2015) no withdrawal of any team member will be possible, with the exception of athletes entered into a non-viable event or due to verified medical cases. No changes to the male or female entry numbers will be accepted.

Additional team members can be entered with the Entry by Name (max. 20% increase of NPC swimmers entered with the Entry by Number is allowed).

CLASSIFICATION

Swimmers with 'New' or 'Review' sport class status must undergo international classification on site. Athletes will need to present themselves for classification at the date and time identified by IPC Swimming.

NPCs must upload all relevant medical paperwork for their swimmers with 'New' or 'Review' status in the SDMS in accordance with the regulations outlined on the [IPC Swimming website](#).

For every classification matter the NPC must contact the IPC Swimming office.

COMPETITION FORMAT

The 2015 Parapan American Games will be conducted by the Single Class competition format. Only events that meet the Event Viability Criteria outlined below after the Entry by Name will be included in the Final Event Programme. Sport classes without a viable event will be able to “swim up” to the nearest single class event included in the Programme in accordance with IPC Swimming Rules and Regulations. These sport classes will be considered Eligible Classes for the respective single class event, and medals will not be allocated separately for these eligible classes.

EVENT VIABILITY CRITERIA

- Individual Events:

Individual events will be considered viable if they have a minimum of five (5) eligible swimmers from two (2) NPCs entered through the Entry by Name.

- Relay Events:

Relay events will be considered viable if they have a minimum of four (4) eligible NPCs entered through the Entry by Name.

MEDALS

Medals will be awarded to the first three (3) athletes finishing the event (regardless of the sport class).

In the exceptional case an event is completed by only three (3) or fewer swimmers medals will be awarded following the “minus one rule”.

Athletes swimming up will not be awarded medals separately.

ATHLETE ELIGIBILITY

To be eligible for competition athletes must:

Only players with an International Player Identification Number will be permitted to play in the Games.

Only NPCs in good standing with the IPC and the ITF may enter athletes in the 2015 Toronto Parapan American Games.

CLASSIFICATION

There will be no classification opportunities at these Games. All athletes participating need to have been internationally classified at a previous ITF competition.

MAXIMUM ENTRY PER NPC

An NPC can enter a maximum of two (2) male athletes and two (2) female athletes in the men's and women's singles medal events, respectively. Where the overall athlete quota is not met, the ITF will allocate remaining slots to a third player from a nation based on ITF Singles World Ranking as of 22 June 2015.

An NPC can enter a maximum of one (1) men's team and one women's team comprised of two (2) athletes on each team (who have qualified based on the ITF Singles World Ranking) in the men's and women's doubles medal events, respectively.

ALLOCATION OF QUALIFICATION SLOTS

The qualification is allocated to the NPC, not the individual athlete.

MAXIMUM QUOTA ALLOCATION PER NPC

An NPC can be allocated a maximum of two (2) male and two (2) female qualification slots. If the overall athlete quota is not met then the ITF may allocate a 3rd place to the highest ranked entered athlete (s) using the ranking of 22 June 2015.
