### IPC Swimming sponsor on the swimming caps at the 2016 European Open Championships

Dear NPC Representatives,

There will be **no** IPC Partner's logo to be placed on the swimming caps at the 2016 IPC Swimming European Open Championships.

In light of this it is permitted to have the following on the caps:

- One (1) manufacturer's logo of a maximum of 20 cm<sup>2</sup> on the front
- The left side can have any of the below options:
  - a) The flag and/or country code of the size of 32 cm<sup>2</sup> and the athlete's name of the size of 20 cm<sup>2</sup>
  - b) The IPC Swimming logo
  - c) Blank
- The right side can have any of the below options:
  - a) The flag and/or country code of the size of 32 cm<sup>2</sup> and the athlete's name of the size of 20 cm<sup>2</sup> (if on both sides)
  - b) The IPC Swimming logo
  - c) Blank

Clarification:

- The 'left side' is to be understood the following way: when the swimmer is wearing the cap, the logo should be on the left side of his/her head.
- If the cap has flag, country code and/or athlete's name only on one side it must be on the left side of the cap.

The IPC Swimming logo can be found attached in eps format. Please adhere to the following colour combinations:
