In the event that two or more classes in Field Events are combined following the final entry by name and event viability review (e.g., Shot Put F53/54/55), an NPC may not exceed a maximum of five (5) eligible athletes in a combined medal event. However, per each sport class, a maximum of three (3) eligible athletes can be entered.

## Direct Invitation

World Para Athletics reserves the right to directly invite athletes under the following criteria:

- To enable the greater representation by nation;
- To ensure events featured on the programme have sufficient representation for viability;
- To enable greater representation by gender;

<sup>1</sup> World Para Athletics will establish a Qualification Ranking from 1 January 2016 - 05 June 2017 for each of the Individual medal events on the London 2017 Event Programme. Performances will only be recognised for the Qualification Ranking in accordance with to the Athlete Licensing Programme Policies valid for the 2016-2017 seasons. Athletes with a New, Review or Confirmed status are eligible for the Qualification Ranking and are eligible for entry.

- To ensure the representation of athletes with high support needs;
- To ensure top athletes that may have not had the opportunity to formally qualify due to extraordinary circumstances.

To be considered for a direct invite slot, an athlete must hold a World Para Athletics Athlete License for the 2017 season. NPCs must submit a formal request for direct entry to World Para Athletics by 25 May 2017.

### **Event Viability Criteria**

A minimum of five (5) athlete entries from three (3) NPCs is necessary to sustain an individual medal event on the programme. A minimum of five (5) entries from five (5) NPCs is necessary to sustain a relay medal event on the programme.

World Para Athletics shall review the event viability following the close of the final entry by name on 08 June 2017. In the case an event did not meet the above viability criteria by final entry, World Para Athletics reserve the right to combine such event with other event(s) where appropriate and applicable. In such combined field events, the Raza point system may be used to determine the placings.

World Para Athletics also reserve the right to either cancel such events or run them as non-medal events. Non-medal events shall be run in an additional non-ticketed session outside of the official programme (within the official competition period).

In the case the entry number of an event dropped below the aforementioned event viability criteria due to withdrawals after 08 June 2016, the event shall still be run as a Medal Event and the medals will be allocated under the 'minus one' rule.
