Accommodation Plan

For the Dublin 2018 World Para Swimming European Championships, the Local Organising Committee (LOC) has selected accommodation options that best serve the requirements for the competition in terms of accessibility for the athletes, proximity to the competition venue and a central location in the city providing easy access and transportation. The accommodation options are 3 and 4 stars and provide a high level of service with good facilities including complimentary Wi-Fi and different bedroom types. The hotels have also been selected to allow for a simplified and unified transport system to the National Aquatic Centre for training and competition.

Catering

While the rates displayed are bed and breakfast rates (per person), if a country chooses to stay at the LOC nominated hotels, lunch and dinner will also be provided at the hotel and no additional charges will be incurred by National Paralympic Committees (NPCs).

Transport

Transportation will be provided from the hotels to the venue for classification, training and the competition. The routes will be published closer to the event with it being expected that the journey time will be no more than 40 minutes (subject to traffic). The transport service will run regularly based on the competition schedule. Return airport transfers from Dublin Airport per NPC delegation will be provided but additional charges may apply if individuals from the same delegation arrive at separate times from the full group and if we are unable to provide an alternative transfer.

****If an NPC books accommodation outside of the nominated Championship Hotels, transport and catering will not be provided by the LOC.*

Booking Policy

Booking Policy

All NPCs must book accommodation by Friday, 1 December 2017, with a 20% deposit. The rooms are guaranteed only once the 20% deposit has been received and the LOC have sent the confirmation for this to the NPC. A further 30% is due Thursday, 1 March 2018 and the full amount for all rooms must be paid on or before Friday, 1 June 2018. The NPC is responsible for all the bank fees, if applicable.

Cancellation Policy

After 1 June 2018, no changes or refunds will be made to the NPC. All deposits are non-refundable and any cancellation above the deposit percentage paid is chargeable.

Booking Process

Please contact paraswim2018@abbey.ie to make your booking as soon as possible. Please note that while every effort will be made to allocate your preferred hotel, it may not always be possible to accommodate everybody's first choice. Hotels will be allocated to the NPCs on a first come first served basis and once the 20% deposit has been paid. We will do our utmost to accommodate late bookings but unfortunately, we cannot guarantee availability, as August is a very busy month in Dublin.
