Event in red box is non-medal events, and will be held after the morning session out of the official programme  
Events in yellow have some classes swimming morning finals and viable classes swimming heats and finals  
Events in blue are Direct Finals in the evening  
Events in purple are Morning Finals (medal ceremony in the evening)

2017\_10\_26

This programme is final with the only exception being if after classification a Direct Final has more than 8 entries

Following the postponement, the 2017 World Championships will be run using the following criteria:

- All events which were viable after the original final entry (17/08/2017) will be offered and consider viable medal events.
- All victory ceremonies will take place just before or during the Finals session on the same day as the event.
- All times swum will be included in Rankings.
- We will hold as many single class finals as possible, but where the number of athletes entered for the event is 5 or below, we may at our discretion:
  - Swim it as a single class event in the heats session as a timed final, where athletes will compete for medals and time only
  - Combine athletes of a similar class to make a more competitive event, medals will still be awarded per class.
  - In the heats if we combine events, it may be possible that a single class final is still offered
  - In some cases, to allow all athletes to compete, we may combine a viable event upwards (e.g. 7 x S9 athletes and 1 x S10 athlete may swim together)
- We will not be implementing the minus 1 rule, when awarding medals. Medals will still be awarded the 158 events for the final programme of 29/08/2017
