Athlete Eligibility

To be eligible for entry, an athlete must:

- hold an active IPC Athlete Licence for the 2018 season;
- have achieved a Minimum Entry Standard (MES) at a World Para Athletics recognised competition for an event from the published final event programme between 01 January 2017 and 01 July 2018 in accordance with the Athlete Licensing Programme Policies valid for the 2017-2018 seasons; or
- have been allocated a Direct Invitation Slot.

To be eligible to enter a relay event, an athlete must:

- have entered an individual event.

Except RaceRunning Events athletes with International 'New', 'Review' and 'Confirmed' sport class status are allowed to enter. For RaceRunning Events, athletes must hold a 'Review' status (Internationally Classified by CPISRA) to be allowed to enter.

Maximum Entry per NPC

An NPC may enter a maximum of three (3) eligible athletes per single class medal event. An NPC may enter a maximum of five (5) eligible athletes in field events where two (2) or more sport classes are clustered (e.g., Discus Throw F54/55/56). However, per each sport class, a maximum of three (3) eligible athletes can be entered.

An NPC may enter a maximum of one (1) team in each relay event provided that the team is comprised of athletes already entered into an individual event and the composition of the team meets the relevant World Para Athletics competition rules. No Minimum Entry Standard is required for the relay event(s).

NPCs may enter an eligible athlete in an unlimited number of events as long as the athlete has met a MES in at least one of the events for which the athlete is to be entered.

Direct Invitation

World Para Athletics reserves the right to directly invite athletes under the following criteria:

- To enable the greater representation by nation;
- To ensure events featured on the programme have sufficient representation for viability;
- To enable greater representation by gender;
- To ensure the representation of athletes with high support needs;
- To ensure top athletes that may have not had the opportunity to formally qualify due to extraordinary circumstances.

To be considered for a direct invite slot, an athlete must hold an IPC Athlete Licence for the 2018 season.

Event Viability Criteria

A minimum of four (4) athlete entries from two (2) NPCs is necessary to sustain an individual medal event on the programme. A minimum of four (4) entries from four (4) NPCs is necessary to sustain a relay medal event on the programme.

World Para Athletics shall review the event viability following the close of the final entry on 12 July 2018. In the case an event did not meet the above viability criteria by the final entry, World Para Athletics may combine such event with other event(s) where appropriate and applicable. In such combined field events, the Raza point system may be used to determine the placings. World Para Athletics also reserve the right to cancel such events or run them as non-medal events.

In the case the entry number of an event dropped below the aforementioned event viability criteria due to withdrawals after 12 July 2018, the event shall still be run as a Medal Event and the medals will be allocated under the 'minus one' rule.
